Digital Citizenship Plan | 2026-2027

Wildwood School

Calgary Board of Education

Digital citizenship is about using technology and participating in digital environments. It is key to helping our students learn to use available technology responsibly in the classroom and beyond. This Digital Citizenship Plan addresses how we work to build a community where we live and work together as digital citizens.

Relevant contextual information about our school and School Development Plan:

- Wildwood has many new students throughout the year. Many come with little exposure to technology.
- Wildwood School has two special education programs; Enhanced Education Supports and Paced Learning Program
- SDP Goal: Students will improve in literacy

Relevant evidence and data that informs our Digital Citizenship Plan:

- Students are new to using online technologies
- Students are new to thoughts of online safety, such as selecting and using a password
